A clear guide to booking

Activity rates, additional charges and group discounts explained.

How to read the prices

All figures are in US dollars (USD). Base prices are listed per person unless the entry explicitly needs its charging basis confirmed. Additional fees are payable on top of the base price. "Included" means the stated fee is already within the base price. "None listed" means the reference does not list a separate fee; other charges may still apply.

Worked examples

Standard sunset cruise: USD 59 + USD 12 river fee = USD 71 per person. Zambezi National Park game drive: USD 79 + USD 18 park fee = USD 97 per person. Flight of Angels: USD 173 + USD 18 park fee + USD 20 fuel surcharge = USD 211 per person. These calculations cover only the listed charges, before any discount or other applicable cost.

Minimum participants

The minimum is the number the operator requires to run the trip, not always the size your own party must be. Solo travellers may join a shared departure if available. Tandem activities involve two participants; confirm whether the advertised tandem rate is per person or per pair before paying.

Transfers and inclusions

The reference generally includes activity pickup and drop-off within Victoria Falls town unless an entry excludes it. Out-of-town lodges may attract an extra charge. Airport transfers are a separate service. Meals, drinks and other inclusions are stated where provided; do not assume an unstated inclusion.

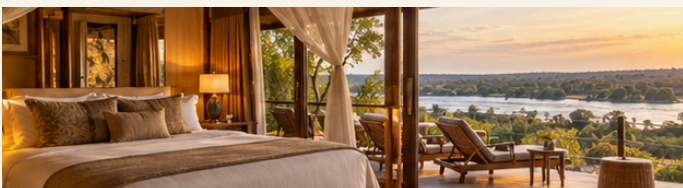

Discounts for groups

Prices may be discounted, especially for groups. The final offer depends on group size, travel dates, activity selection and availability. Send the number of adults and children, children's ages and your preferred activities for a written quotation. No fixed discount percentage is promised.

Accommodation and guides

We arrange budget lodges, hotels, luxury stays and self-catering houses. Rates depend on dates, occupancy, room type and meal plan. Chinese, French, German and Spanish-speaking guides can be requested, subject to availability. Accommodation and guide-only fees are quoted separately.

Prices checked against the supplied 2026 reference on 29 October 2026. Confirm final rates, residency category, child pricing and all inclusions before booking. Unclear source entries are marked for quotation rather than guessed.

Illustrative images - actual properties, vessels and experiences may vary.

PRICES MAY BE DISCOUNTED - ESPECIALLY FOR GROUPS
